**RE: Public Records Request to the Idaho Department of Commerce**

Dear Mr. Holmes,

On December 12, 2018, the Idaho Department of Commerce ("Commerce") received your public records request, submitted via email, seeking copies of certain records mentioning or regarding Serofim Muroff, Blackhawk Manager, LLC, ISR Capital, LLC, Equity Recap Account, LLC, Sidecars, Sidecars Insurance, Gold Hill Mine, Debra L. Riddle, Raymond Ku, Winner Xing, Richard Getty, Jerry Ray Barnett, Blackhawk Manager LLC, ISR Capital, LLC, Equity Recap Account, LLC, Idaho State Regional Center, LLC, Blackhawk Gold, LLC, GMA Garnet USA Corp., Idaho State Gold, LLC, Lemhi Gold Trust, LLC, The McCall Associates, LLC, Blackhawk on the River, LLC, Red Ridge Development, LLC, West Mountain Sewer and Water, Inc., Montana State Gold Company, LLC, Mayflower Mining Company, Concierge Holdings, LLC, Westlead Capital, Inc., and Worldway Group.

On December 17, 2018, Commerce responded requesting an additional 10-day extension to fulfill your request. Commerce staff is currently working to fulfill your request. However, in accordance with Idaho Code Section 74-103(1), due to the volume of your request, additional time is needed to assemble those records responsive to your request and evaluate any applicable public record exemptions. Records responsive to your request that are not exempt from public disclosure will be provided to you on or before Friday, February 15, 2019, as permitted by Idaho Code Section 74-103(1).

Commerce is currently evaluating whether the administrative or labor costs resulting from locating and providing a copy of the requested public records will require establishing a fee to recover the actual labor cost associated with locating and copying documents. A fee to recover the actual labor cost associated with locating and copying documents may be instituted if:

- The request is for more than one hundred (100) pages
- The request includes records from which nonpublic information must be deleted
- The actual labor associated with locating and copying documents for a request exceeds two (2) person hours.

Idaho sales tax shall be assessed on the per page fees and on any of Commerce's out-of-pocket costs, except if the requester is sales tax exempt.

If Commerce decides to charge a fee to recover the actual labor cost associated with locating and copying documents, Commerce will provide an estimate in a timely manner.

Sincerely,

*Matt Borud*
